## Riepilogo

Un'avventura epica nella follia, questa serie di racconti brevi storia alternativa, esplora le catene che legano lo spirito umano alla ripetizione di sopravvivenza.

~~~

Informazioni da sola detiene alcuna verità in se stessa, fino a quando una parte del suo complesso è trascurata, ignorata o rimossa, dopodiché anche l'ovvio può essere compresa, accettata o negata.

Gli Stati Uniti, e l'Unione Sovietica, divisi da punto di vista, ma uniti nella battaglia, trova alla fine di una guerra, l'inizio del successivo; marcia della parola stampata verso il potere assoluto, a condizione che solo la distanza che potrebbe coprire.

## Prefazione – Italiano

**S**enza assoluto come la verità che vagano, nella mente, nel corpo, nello spirito, siamo liberi di oscillare tra realtà e sogni in cerca di una sopravvivenza degna della nostra dignità. Fino a quando la realtà, o qualsiasi altra cosa perdere costruzione di un tale ci troviamo inghiottito da, ci tira indietro nel forte-delirante qui ed ora, verso l'onere e l'impegno attraverso la realizzazione e la lotta che prova i nostri sogni per la verità.

Forse la verità non era quello che aveva sognato che era, le parole ed i loro sentimenti obbligatoria spesso nuvola nostre definizioni dei concetti più comuni. Chi ancora si parla tra l'ironia parola senza essere ironico? In un mondo, dove il nostro uso più comune di questi si rivela essere solo la sua definizione, possiamo lottare, in una battuta così così casualmente umoristica, per sopravvivere, tra quello che ride con le nostre verità come si

ride dei nostri sogni, senza mai nemmeno a  
uno con questo Frammento Terra.

### Infiammare

- Boemo Cecoslovacchia, 4 maggio 1945 -

**N**o, è più corta, capelli scuri, uniforme dell'esercito americano.”

“Oh, scegliere le parole più sagge. In questo modo,” la mia ricerca frenetica seguito il suggerimento suo dito nel tunnel stranamente acceso.

“L'americano?” rispose l'ufficiale successiva, “vivo o morto?”

“Vivere!” Ho insistito.

“Salite le scale una dozzina di piani, se ti

sbrighi.”

“Tutti importante,” rispose la cifra in alto, “proviene da tutto quell'angolo là,” come l'ho girato.

## Summary

An epic adventure into madness, this series of alternate history short stories, explores the chains that bind the human spirit to the repetition of survival.

Information alone holds no truth within itself, until part of its whole is overlooked, ignored or removed, whereafter even the obvious can be understood, accepted or denied.

The United States, and the Soviet Union, divided by perspective but united in battle, find at the end of one war the beginning of the next; the printed word's march toward ultimate power, provided only by the distance it could cover.

## Preface – English

**W**ith no such absolute as truth we wander; in mind, in body, in spirit, we are free to waver between consciousness and dreams in search of a survival worthy of our worthiness. Until reality, or whatever loose construct of such we find ourselves engulfed by, pulls us back into the stark-raving here and now, toward burden and commitment through fulfillment and struggle it tests our dreams for truth.

Perhaps truth was not what we had dreamt it was; words and their compulsory feelings often cloud our definitions of the more common concepts. Who even among you speak the word irony without being ironic? In a world, where our most common use of such turns out to be its only definition, do we struggle, in a joke thereby so coincidentally humorous, to survive, among that which laughs with our truths as it laughs

at our dreams, while never neither does to  
either with this Fragment Earth.
